

## PRODUCT DESCRIPTION

ProHibit™ Penetrating Sealer is a below surface sealer designed to resist stains and maintain the natural look of your tile.

## AREAS OF USE

Interior or exterior. Use on porous tile, natural stone, or masonry to preserve and protect the natural look of the surface ProHibit is used on.

## LIMITATIONS

During application, surface temperature should be between 50° F and 80° F (10° C and 27° C).

## SURFACE PREPARATION

Surface must be dry and free from dirt, oil and other contaminants.

## MIXING

No mixing necessary. Apply ProHibit straight from the container according to instructions.

## APPLICATION

**1:** Test on a small area according to instructions with a 24-hour cure time to determine desired results. ALWAYS TEST FIRST.

**2:** For new installations, allow 7 days after grouting before application.

**3:** Surface must be clean, dry and free of existing coatings or sealers.

**4:** Apply 1 to 3 coats using a sponge, paint pad, or soft brush. Avoid puddling and runs.

**5:** Wipe surface dry 3 to 5 minutes after each coat using paper towels.

**6:** Allow 1-hour drying time between coats.

**7:** After applying the second coat, allow 2 hours of drying time then test to determine if surface is completely sealed by applying a few drops to the surface. If droplets are absorbed, apply an additional coat and allow 2 hours drying time, then retest.

## CURING

Surface is ready for traffic 2 hours after final coat. For best results keep surface dry for 12 hours. Allow 24 hours for complete cure.

## CLEAN-UP

Clean tools with water.

## COVERAGE

Approximately 300 to 1,000 ft. per gallon depending on the porousness and texture of the tile, temperature, and method of application.

## PACKAGING

- 1 GAL. (3.785 L) Bottle
- 1 QT. (.946 L) Bottle

## STORAGE

Store in original container. Keep from freezing.

## SAFETY

Avoid inhaling vapors. Use in well ventilated area. Wear rubber gloves and eye protection. Avoid eye contact or prolonged contact with skin. If eye contact occurs, flush with water for 15 minutes.
