

PRODUCT DESCRIPTION

ProTect™ is a trowelable waterproofing and anti-fracture membrane for interior or exterior tile and stone installations. ProTect is easily applied with a roller or trowel. Once applied, ProTect produces a moisture barrier and reduces crack transmission in tile or stone floors. Meets or exceeds ANSI A118.10 and ANSI A118.12.

AREAS OF USE

- Concrete
- Cement backerboards
- Exterior Grade Plywood (only for crack isolation on dry, Interior areas)

LIMITATIONS

ProTect is for use as a waterproofing and anti-fracture membrane only. Do not use as an adhesive. Do not use as a wear surface.

APPLICABLE STANDARDS

Meets or exceeds ANSI A118.10 for waterproof membranes for thin-set tile installations and ANSI A118.12 for anti-fracture membranes.

SURFACE PREPARATION

Surface must be dry and free from dirt, oil and other contaminants that will prevent a good bond.

MIXING

No Mixing necessary. Apply ProTect straight from pail.

APPLICATION

1: All cracks in substrate up to 1/8" (3 mm) should be pre-filled with ProTect prior to application.

2: Then, using a trowel or rough textured roller, apply ProTect onto the substrate.

3: If using a trowel, spread the material with the flat side of the trowel held at a 45° angle then smooth to a continuous, even coat of material. If using a roller, apply a continuous, even film with overlapping strokes. ProTect should be applied to a thickness of about 30 mils.

5: Install tile or stone over ProTect with a polymer-modified mortar such as **ProCelain**™.

CURING

Under normal conditions, 75°F (24°C), ProTect cures in 2 to 3 hours.

CLEAN-UP

Clean tools and hands with water before material dries.

COVERAGE

Covers approximately 200 sq. ft. (27.8 m²) per 2 gallon pail.

PACKAGING

- 2 GAL. (7.57 L) Pail

STORAGE

Store in original container. Keep from freezing.

SAFETY

Wear rubber gloves and eye protection. Avoid eye contact or prolonged contact with skin. If eye contact occurs, flush with water for 15 minutes. Consult physician immediately. Wash thoroughly after handling.

KEEP OUT OF REACH OF CHILDREN.

DO NOT TAKE INTERNALLY.

WARNING

Western States Wholesale, as blender of processed material in the State of California, we are required by Proposition 65 to warn that one or more of the components in this product, contains chemicals known to the State of California, to cause cancer, birth defects, or other reproductive harm.
